

Curling in Scotland

Come experience curling in the land where it was in born.

A group of local curlers is organizing a curling trip to Scotland and we want YOU to join us. The more people that come, the more fun will be had by all. Let's show Scotland what Canadian pride is made of!

Bonspiel Details:

Where: Perth

When: Feb 13-19th, 2010

Format: Open (any combination of men or women)

Draw: Feb 13 & 14th (Sat & Sun) – three games total, winners of the respective four “leagues” will move onto the quarter finals (evening of Monday the 15th) and semi finals (evening of Wednesday the 17th). Finals will be the evening of Friday the 19th.

Trip Details:

- Participants will need to commit to be in Perth for the bonspiel dates mentioned above. If teams are knocked out after the weekend, they are not obligated to stay (although the remaining teams would sure appreciate a cheering squad!).
- Initial transportation to/from Perth is the responsibility of each individual, although many people will be arriving/departing at similar times and may wish to carpool with each other to take advantage of reduced transportation cost. Meetings held by the group leading up to the trip will help to facilitate these discussions.
